

Monthly update

Junee

September 2026

Our contractor Martinus is continuing construction works across various sites in Junee during the month of September.

Out of hours work will continue at **Olympic Highway underbridge** and **Junee Station yard**.

Out-of-hours construction

Key dates and times

- 6 September – Sunday 8am – 10pm
- 7 September – Monday 6pm – 10pm

Construction activities:

- Vegetation clearing
- Geotechnical and utility investigations
- Signalling installation works
- Shoulder reconditioning, track works and tampering
- Stockpile and material transportation between sites
- Drainage works

Upcoming Track Possession

Martinus will carry out track and associated works within the rail corridor in Junee during an extended track possession. Out-of-hours works will commence at various times as detailed below per site. Works will be **continuous**, including nightshift.

At the completion of the track possession, construction hours will revert back to standard hours with the exception of approved out-of-hours periods.

Olympic Highway underbridge

Track Possession

6pm Friday 11 September until 7am Thursday 17 September
Olympic Highway underbridge will be closed to road traffic and pedestrians from:

- 6pm Friday 11 September until 6am Monday 14 September (refer to detour map overleaf).

Detours will be via Main Street, Broadway, Lord Street, Queen Street and Olympic Highway.

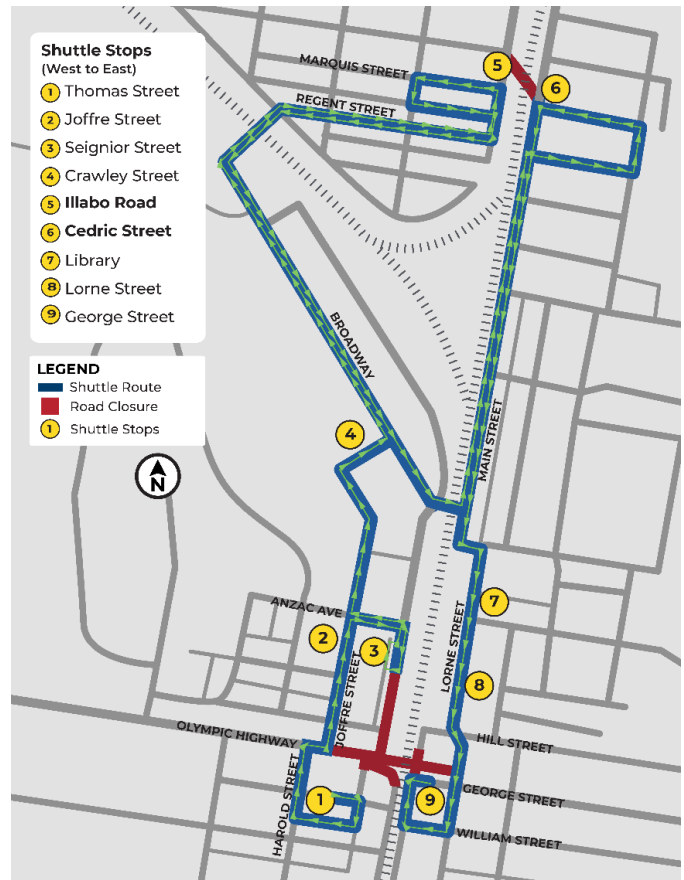

Construction activities:

- Installation of scaffolding under the bridge
- Removal and replacement of old timber transoms
- Track works including (readjusting, tamping and de-stressing)
- Site compound operation and movements into laydown yards
- Geotechnical investigations

Community Shuttle

Due to the closure of Olympic Highway underbridge, there will be minor changes to the community shuttle from 6pm Friday 11 September until 6am Monday 14 September.

Two new stops will be added over this period to assist with pedestrian connectivity. **#5 on Illabo Road** and **#6 on Cedric Street**.

Junee Station Yard

Track Possession

6pm Friday 11 September until 7am Thursday 17 September

Construction activities:

- Removal of the existing pedestrian footbridge at the station
- Track work (crossover replacement, tamping and destressing)
- Geotechnical investigations

Kemp Street bridge

Track Possession

6pm Saturday 12 September until 7am Wednesday 16 September

Construction activities:

- Concrete pours
- Installation of formwork and reinforcement to concrete
- Deliveries to site
- Site compound operation (Wright's Oval)

What can I expect

Unfortunately, some construction activities are inherently noisy which cannot be avoided. Properties near these areas can expect:

- Noise from excavation activities involving the removal of existing surfaces such as rock, soil, bridge segments, bridge

DATE: 04/08/2026

abutments, existing roads and transportation of materials

- Heavy vehicle movements, geotechnical investigations and pavement coring.
- Construction machinery and equipment operation
- Road and pedestrian detours
- An increase in deliveries of plant and materials to site compounds and stockpile locations.

Equipment list

Heavy machinery including but not limited to track machinery, elevated work platforms, excavators, front end loader, generators, hand tools, watercarts and lighting towers.

How we're managing impacts

- Works programmed to best minimise noise impacts.
- Use of low-tonal reversing alarms on all plant and equipment and turning off equipment when not in use.
- Instructing workers to keep noise to a minimum and being respectful of our neighbours.
- Water carts onsite to assist with dust suppression and fire risks.
- Onsite noise monitoring to be conducted to ensure compliance

Traffic Detours

Outside of track possession, vehicle detours will remain unchanged until project completion.

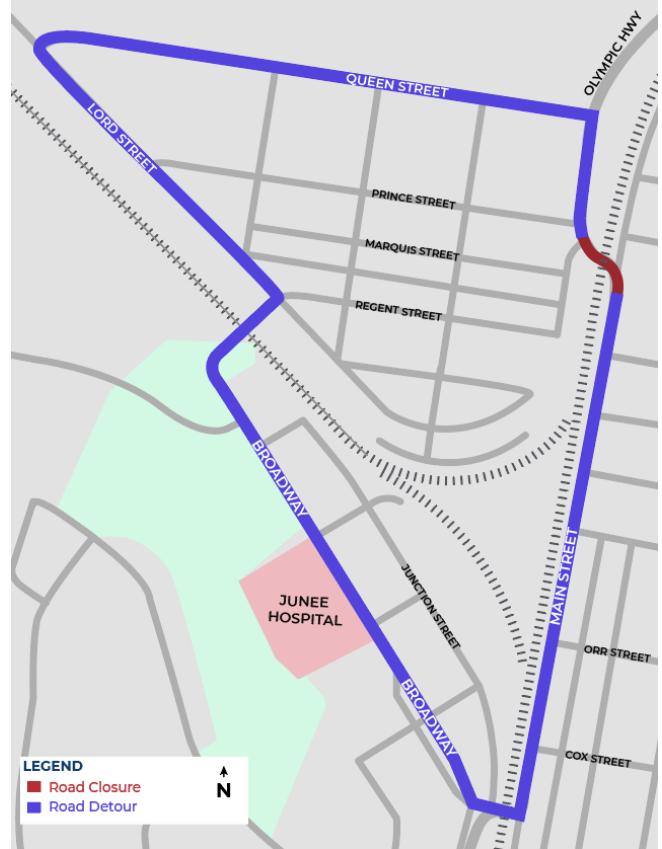

- Seignior Street will be partly closed; the service road will remain open **for local traffic only**.
- Olympic Highway (Kemp Street) between Seignior Street and Joffre Street will remain local traffic access only in a west bound direction.
- The intersection of Railway Parade and Railway Lane will be closed

Heavy and light vehicle detours (Kemp Street bridge)

Olympic Highway underbridge detours (possession only)

6pm Friday 11 September until 6am Monday 14 September

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.

For any complaints, feedback, or enquiries please get in touch with us at **1800 732 761** or email inlandrailnsw@inlandrail.com.au. Information about Inland Rail is available at <https://inlandrail.com.au/>

Thank you for your continued patience and cooperation while we carry out these works
