Out-of-Hours Works
Kemp Street Bridge
November – December 2026

To continue construction works on the Kemp Street bridge, some work will take place outside standard construction hours on selected Tuesdays and Thursdays between November and December 2026.

Out-of-hours work is approved to occur between **7am and 10pm**. Most works are expected to finish by 8pm each day; however, some activities may continue until 10pm if required to safely complete the planned work.

Kemp Street Bridge

Out-of-hours works

- 3 November – Tuesday 6pm – 10pm
- 5 November – Thursday 6pm – 10pm
- 10 November – Tuesday 6pm – 10pm
- 12 November – Thursday 6pm – 10pm
- 17 November - Tuesday 6pm – 10pm
- 19 November - Thursday 6pm – 10pm
- 24 November - Tuesday 6pm – 10pm
- 26 November - Thursday 6pm – 10pm
- 1 December – Tuesday 6pm – 10pm
- 3 December - Thursday 6pm – 10pm
- 8 December – Tuesday 6pm – 10pm
- 10 December - Thursday 6pm – 10pm
- 15 December – Tuesday 6pm – 10pm
- 17 December - Thursday 6pm – 10pm
- 22 December - Tuesday 6pm – 10pm

Out-of-hours construction

- Construction and finishing of bridge abutments, headstocks, piers and deflection walls.
- Reinforcement, formwork, concrete pours, curing, stripping, patching and finishing works.
- Installation, adjustment and removal of scaffolding and temporary access.
- Delivery and installation of precast bridge sections, including temporary walkways and sheeting.
- Crane mobilisation, setup and lifting activities associated with bridge construction.
- Reinforced-soil wall and bridge approach works.

Machinery used:

Heavy machinery including but not limited to track machinery, excavators, front end loader, generators, light vehicles, hand tools, watercarts and lighting towers.

What can I expect

- Intermittent periods of increased noise from construction activities including deliveries, concrete pours and lifting activities.
- Traffic control and site signage where required to support safe vehicle movements.
- Lighting towers operating during the evening work period to provide safe working conditions.

How we're managing impacts

- Works programmed to best minimise noise impacts.
- Use of low-tonal reversing alarms on all plant and equipment and turning off equipment when not in use.
- Instructing workers to keep noise to a minimum and being respectful of our neighbours.
- Water carts onsite to assist with dust suppression and fire risks.
- Onsite noise monitoring to be conducted to ensure compliance
- Traffic management will be in place to safely direct traffic as needed

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.
