

Out-of-Hours Works

June

October 2026

Martinus is continuing construction works across various sites in June.

Standard construction hours are 7am to 6pm **Monday to Saturday**. However, out-of-hours work is sometimes required to work around trains running and based on track time.

Kemp Street Bridge

Out-of-hours works

To facilitate concrete pours on the Kemp Street bridge, out-of-hours will occur on:

- Monday 19 October – 6pm until 7pm
- Tuesday 20 October – 6pm until 7pm

Out-of-hours activities:

Will include:

- Site compound operation (Wright's Oval)
- Deliveries of concrete via trucks
- Concrete pours

Machinery used:

Heavy machinery including but not limited to track machinery, excavators, front end loader, concrete trucks, generators, light vehicles, hand tools, watercarts and lighting towers.

What can I expect

- Heavy vehicle movements, construction machinery and equipment in operation
- Additional lighting towers in the area
- Temporary traffic control where necessary

How we're managing impacts

- Works programmed to best minimise noise impacts.
- Use of low-tonal reversing alarms on all plant and equipment and turning off equipment when not in use.
- Instructing workers to keep noise to a minimum and being respectful of our neighbours.
- Water carts onsite to assist with dust suppression and fire risks.
- Onsite noise monitoring to be conducted to ensure compliance
- Traffic management will be in place to safely direct traffic as needed

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.

For any complaints, feedback, or enquiries please get in touch with us at **1800 732 761** or email
