including cranes and materials
- Construction machinery and equipment operation
- Traffic management may be in place to safely direct traffic as needed.

How we're managing impacts

- Works programmed to best minimise noise impacts.
- Use of non-tonal reversing alarms on all plant and equipment and turning off equipment when not in use.
- Instructing workers to keep noise to a minimum and being respectful of our neighbours.
- Water carts onsite to assist with dust suppression and fire risks.
- Onsite noise monitoring to be conducted to ensure compliance

Cancellation of works

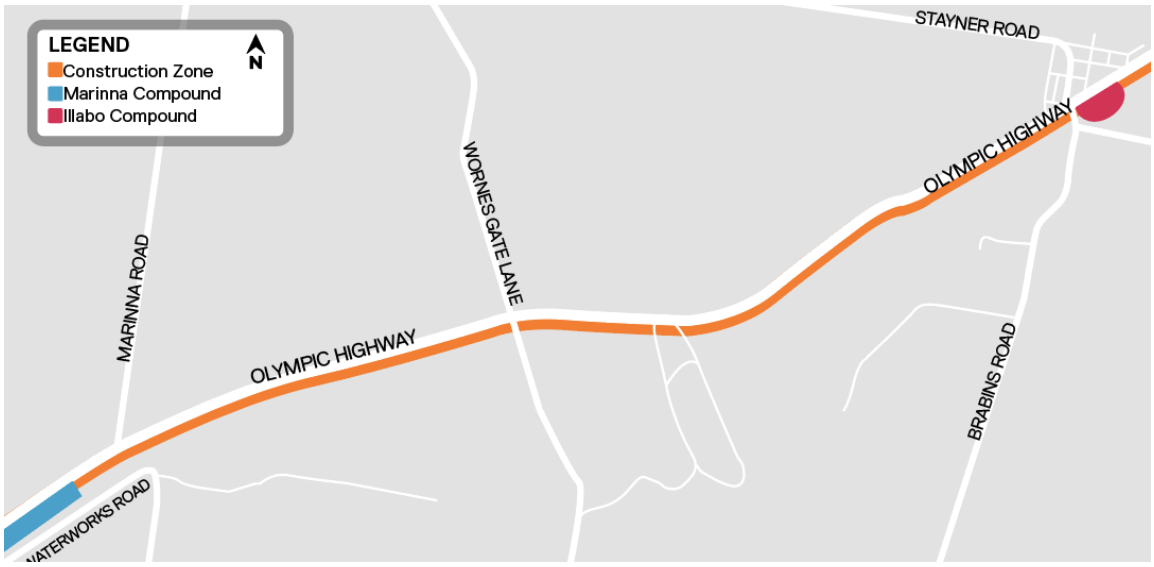

Work may be cancelled at short notice due to weather and other factors. If this happens, work will be rescheduled and affected neighbours will be notified in advance.

For any complaints, feedback, or enquiries please get in touch with us at **1800 732 761** or email **inlandrailnsw@inlandrail.com.au**
