

Out of Hours Deliveries Albury Station Footbridge October 2026

Martinus will undertake out of hours delivery of structural steel for the new Albury Station footbridge from **Tuesday, 20 October to Saturday, 31 October 2026**.

Deliveries will be out of hours between **5am and 7am**.

We undertake these deliveries out of hours to minimise disruption to the local road network before peak traffic periods begin.

Standard construction hours of **7am to 6pm**, will commence following the out of hours work.

Work being done

- Delivering oversize steel structures to our site adjacent to the Albury Station
- Lifting steel structures on the new footbridge will occur during normal construction hours
- Operating our temporary site compound on Swift Street, Albury.

What can I expect?

- On-site traffic management. Please follow all instructions and signage
- Reduced speed limit of 40km/h near works
- Nearby residents and businesses may experience some noise.

Machinery used

Equipment includes, but is not limited to, hand tools, mobile crane, delivery trucks, EWP (elevated work platform), and light vehicles.

How we're managing impacts

- Using traffic control to support safe vehicle movements and manage access around the work area
- Switching off equipment when not in use and using non-tonal reversing alarms where available.

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. Should this occur, work will be rescheduled.

For any complaints, feedback, or enquiries, please get in touch with us at **1800 732 761** or email inlandrailnsw@inlandrail.com.au.

Information about Inland Rail is available at <https://inlandrail.com.au/>

Thank you for your continued patience and cooperation while we carry out these works.
