Road resurfacing and station precinct works
Euroa
1 to 30 November 2026

John Holland will continue construction of the Euroa Station Precinct upgrades and the Anderson Street vehicle underpass during November. These works will require temporary traffic changes and round-the-clock works.

Work being done

- Excavation, installation of drainage and wall reinforcing of the new vehicle underpass
- Construction of new pedestrian underpasses, lift shafts and pathways
- Construction of the new station platform, forecourt and the new Elliot Street carpark and retention basins
- Asphalting on Elliot, De Boos, Anderson, Scott and Railway streets
- Installation and upgrade of public lighting
- Installation of new raised pedestrian crossing on Railway Street
- Landscaping and approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Sunday**
- **Round-the clock works within the station precinct, Anderson Street vehicle underpass and Railway Street, as required**
- **Temporary short-term road closures and single-lane shuttle flow on Railway Street**

  Nearby residents and businesses who are likely to be impacted by round-the-clock works and road closures will be updated ahead of time
- Please refer to electronic signage for up-to-date traffic changes and any closure details. Allow additional travel time and follow all detour signage and traffic management
- Nearby residents may experience some noise, vibration and light from light towers
- All passenger train services from Platform 1.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls in place.

Machinery used

Cranes, excavators, trucks, earthmoving plant, grader, roller, under-bore machine, concrete and asphalting trucks. Workers using hand tools and traffic management equipment.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.

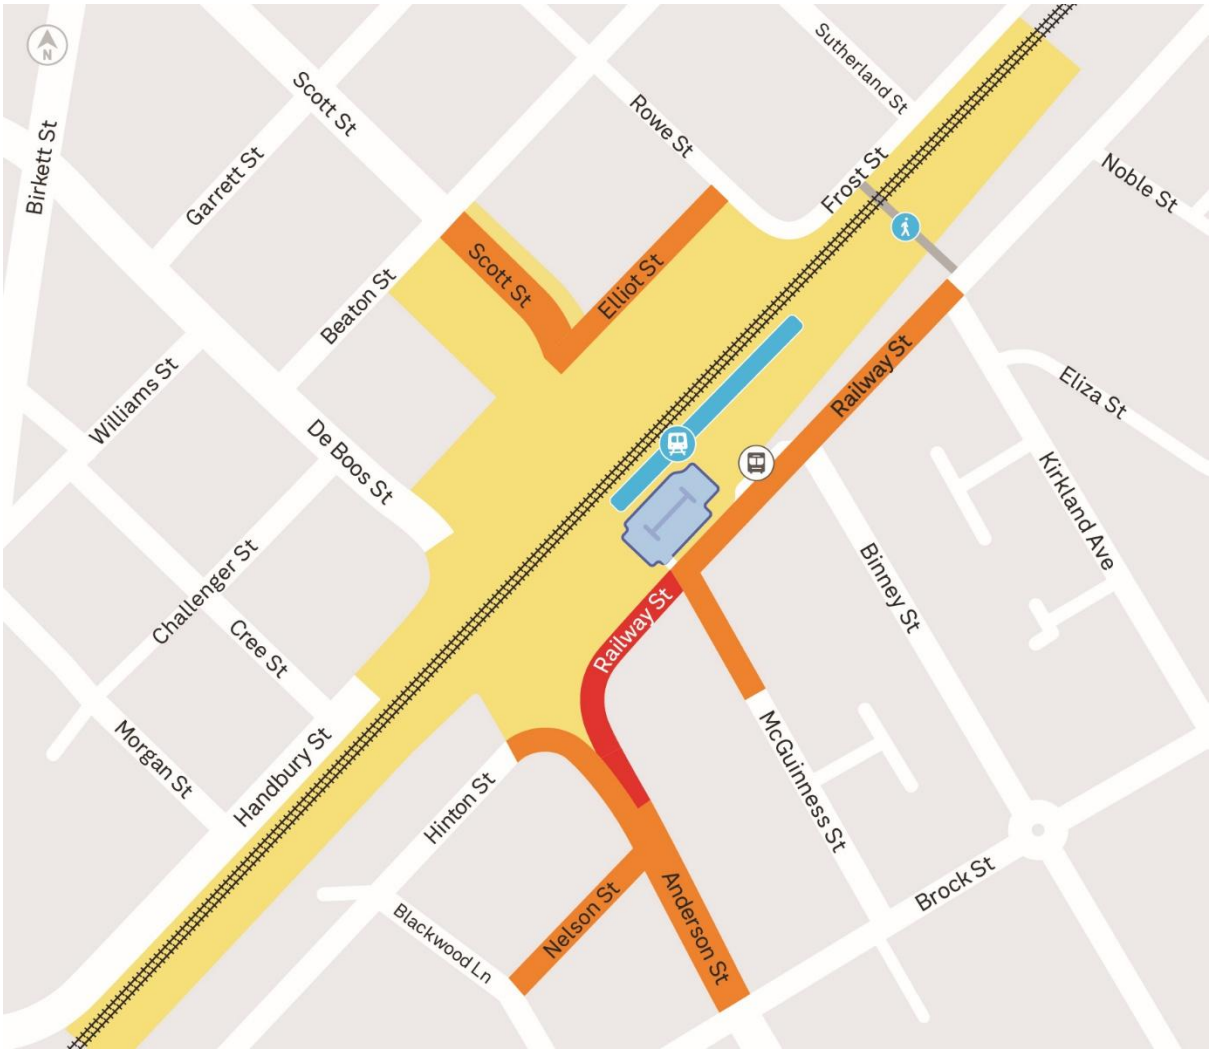

Talk to the team
