Out of hours works
Cassidy Parade Footbridge
Wagga Wagga
November 2026

To continue construction works on the Cassidy Parade footbridge, some work will take place outside standard construction hours to work around train timetables.

Out-of-hours work is approved to occur between 7am and 10pm. Most works are expected to finish by 8pm each day; however, some activities may continue until10pm if required to safely complete the planned work.

Hours of Work

- **6pm - 10pm** Tuesday 10 November
- **6pm - 10pm** Thursday 12 November

Work being done

Activities will include:

- Site compound operations at Telstra yard Brookong Avenue
- Installation of steel bridge components.

What can I expect?

- Additional construction vehicles entering and leaving the Telstra compound on Brookong Avenue
- Lighting towers operating during the evening work period to provide safe working conditions.

Machinery used

Machinery will be selected to safely perform the construction activities and may include cranes, delivery trucks, elevated work platforms, lighting towers, small plant, and hand and power tools.

How we're managing impacts

- Works will be limited to the notified hours and planned so noisier activities are completed as early as practicable.
- Equipment will be switched off when not in use, and unnecessary idling and excessive vehicle movements will be avoided.
- Lighting will be positioned and directed away from nearby properties where practicable.
- Water carts will be used as required to manage dust, and site access points will be maintained.
- On-site noise monitoring will be undertaken during the works to check compliance with Environment Protection Licence 21984.

Cancellation of works

Works can sometimes be cancelled at short notice depending on weather and other factors. Should this occur, works will be rescheduled.
