Out of Hours Work
Uranquinty
10 November 2026

Martinus will undertake works outside their standard construction hours at Uranquinty on the following dates and times:

- **6pm** to **10pm** on **Tuesday**, **10 November 2026**

Work being done

- Operating the site compound
- Signalling works and removal of existing signalling equipment, testing and commissioning

What can I expect?

- Heavy vehicles operating at several work sites
- Nearby residents may experience some noise and vibration
- On-site traffic management, where required. Please follow all instructions and signage.

Machinery used

Equipment will include lighting towers, survey equipment, hand-powered tools and light vehicles.

How we're managing impacts

- Using water carts or other controls where needed to help manage dust
- Switching off equipment when not in use and using non-tonal reversing alarms where available
- Environmental monitoring, surveying and track inspections.
- Monitoring the works to support compliance with project environmental requirements.

Cancellation of works

Work may be cancelled at short notice due to weather and other factors. If this happens, we will reschedule the work and notify affected neighbours in advance.

For any complaints, feedback, or enquiries please get in touch with us at **1800 732 761** or **email** **inlandrailnsw@inlandrail.com.au**.

Information about Inland Rail is available at https://inlandrail.com.au/

Thank you for your continued patience and cooperation while we carry out these works.
