Station precinct works Benalla
1 December 2026 – 31 January 2027

John Holland will continue construction of the Benalla Station Precinct upgrades during December and January.

Work being done

- Construction of new lift shafts, pedestrian underpass, access ramps and stairs
- Installation of artwork within the station precinct
- Landscaping works
- Demobilising the temporary carpark and facilities

  Demobilising of temporary carpark and facilities will take place from Monday 14 December when the Benalla Station is reopened.

What can I expect?

- **Extended works 6am-6pm Monday to Sunday**
- **Low impact round-the-clock works within the station precinct, as required**
- Nearby residents may experience some noise, lighting from light towers and vibration.

Machinery used

Trucks, excavators, front-end loader, grader, cranes, tippers, earthmoving equipment, rollers, elevated work platforms and support vehicles. Workers using hand tools and traffic management equipment.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls in place.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
