Road closure and station precinct works Euroa

30 November 2026 - 31 January 2027

John Holland will continue construction of the Euroa Station Precinct upgrades and the Anderson Street vehicle underpass during December and January. These works will require temporary road closures, traffic changes and round-the-clock works.

Work being done

- Asphalting and line marking at the intersection of Brock and Anderson streets
- Installation of underground services and drainage
- Asphalting, line marking and pavement works
- Installation of signage, screens and fencing
- Construction of pedestrian underpasses, pathways, and lift shafts
- Replacement of power cables in De Boos Street
- Back fill Frost Street drainage infrastructure
- Installation and upgrade of public lighting
- Landscaping and approved vegetation removal.

What can I expect?

- **Extended works 6am-6pm Monday to Sunday**
- **Round-the clock works within the station precinct and Anderson Street, as required**
- **The intersection of Anderson and Brock streets will be closed from Monday 30 November until Friday 4 December**
  Detour via Campbell and Birkett streets
- Temporary single-lane shuttle flow, as required
- Please refer to electronic signage for up-to-date traffic changes. Allow additional travel time and follow all detour signage and traffic management
- Residents impacted by power outages will be directly notified
- Nearby residents may experience some noise, lighting from light towers and vibration.

How we're managing impacts

- Traffic management and reduced road speeds
- Environmental controls in place.

Machinery used

Cranes, excavators, trucks, earthmoving plant, grader, roller, under-bore machine, concrete and asphalting trucks. Workers using hand tools and traffic management equipment.

Cancellation or extension of works

Works can sometimes take longer than anticipated or be cancelled at short notice and rescheduled. Should this occur, impacted residents will be notified.
